DETAILED ACTION

Drawings

1. The drawings filed March 26, 2004 are acceptable.

Allowable Subject Matter

2. The following is an examiner's statement of reasons for allowance:

Regarding claim 2, the prior art does not teach or make obvious the concept of at least one of the trays defining a handle, whereby the laminator can be carried when the trays are in the raised position in the manner claimed by the applicant.

Regarding claim 10, the prior art does not teach or make obvious the concept of inlet and outlet trays mounted to the housing and movable between a horizontal operative position and a storage position, at least one of the trays defining a handle by which the laminator can be transported when the trays are in the storage position in the manner claimed by the applicant.

Regarding claim 15, the prior art does not teach or make obvious the concept of raising the trays to a storage position, in which handles of the trays are located above the laminator housing for grasping by a user in the manner claimed by the applicant.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
